

Faculty Development Program (FDP) on “Recent Trends in Electrical Energy”

Electrical & Electronics Engineering Department, Maharaja Agrasen Institute of Technology organized a FDP on Recent Trends in Electrical Energy from 19th December 2022 to 24th December 2022. This FDP aimed to update faculty members on the latest advancements in renewable energy, smart grids, and electric vehicles, enhancing their teaching skills, promoting research collaboration, and integrating new content into curricula to strengthen the connection between academia and industry while addressing global energy challenges. The event witnessed the participation of 37 enthusiastic attendees and commenced with the esteemed presence of Chief Guest Prof. A.P. Mittal from NSUT, along with Prof. Neelam Sharma, Director MAIT, Prof. S.S Deswal, Dean MAIT, Prof. Rajveer Mittal, HoD-EEE, and other respected HoDs and faculty members. Additionally, six resource persons namely resource persons namely, Prof Smriti Srivastva, NSUT, Delhi; Dr. Gopal Choudhary, VIPS, Delhi; Mr. Gaurav Kaushik, DTU, Delhi; Dr. Yogendra Arya, J.C. Bose University of Science and Technology, YMCA, Faridabad; Prof Rajveer Mittal, MAIT, Delhi delivered talks on various topics related to Artificial Intelligence, Machine Learning, Electric Vehicles, Power Electronics, and Control and Automation in the Smart Grid domain. Following each expert session, hands-on practice sessions were conducted under the guidance of FDP coordinators, Dr. Monika Gupta and Dr. Neelu Nagpal. The FDP on Recent Trends in Electrical Energy has made a significant impact by empowering faculty members with advanced knowledge and practical expertise, primed to drive innovation, research, and foster collaboration between academia and industry within the ever-evolving realm of electrical energy.
