SMART'O'HACK SERIES-2

Electrotech, the official society of EEE Department under the flagship of IEEE Smart Cities conducted a hackathon SMART'O'HACK Series-2 on 16th-17th October,2023. The event was conducted under the supervision of **Ms. Poonam Juneja (Society Coordinator)**, **Ms. Neelu Nagpal (Vice-Chair IEEE Smart Cities)** and **Mr. Harsh Baisoya (Student Coordinator)**. It was a two-day event in which 120 teams registered from all over India for the event and 11 teams appeared for the event.

The event started with the felicitation of the guest speakers and judges. Then the teams presented their ideas in front of judges. Team shared their technology stack, business model and their basic structure about functioning of their model. After every representation, teams had a QnA session with our judges.

After first round, out of 11 teams a total of 7 teams qualified for the second round. In the second round, teams represented their fully functional prototypes to the judges and each of them were judged based on their creativity, feasibility of the model and unique approach to the problem statement.

After round two winners for the event were declared and the winners were felicitated and congratulated with certificates and cash prizes worth up to 10,000 INR.

Winners of the SMART'O'HACK SERIES-2
1st Prize: The Healthtech Coders
2nd Prize: Unicrons
3rd Prize: Aimers and Solar Wireless EV Charging
