

## Event Details for AY 2023-24

S.No.	Event Title	Description	Photos
1.	<b>Orientation</b>	<p>On <b>21st September 2023</b>, ElectroTech, MAIT's official society of the EEE Department, conducted an Orientation Program. Aimed at introducing the electrical branch to attendees, this event provided insights into their offerings and vision. For those seeking deeper engagement, contact details were shared, and the society's activities could also be followed on the Instagram handle @electrotech.mait.</p>	 <p>The poster is yellow with black and blue text. It features the MAIT logo at the top left and the EEE logo at the top right. The main text reads: 'ELECTROTECH (OFFICIAL SOCIETY OF EEE DEPARTMENT) ORIENTATION PROGRAM 21st September, 2023'. Below this, it says: 'We are the official society of EEE Department and if you want to know more about electrical branch, join our team'. There is a QR code and contact information: 'For more information: Harsh: 9922005130, Abhay: 9110269595'. The Instagram handle @electrotech.mait is also mentioned.</p>
2.	<b>Electrilla 2.0</b>	<p>On <b>29 September 2023</b>, the Department of Electrical &amp; Electronics Engineering at MAIT, through its official society Electrotech, hosted "Electrilla 2.0 Event." This technical quiz, themed around electrical concepts like circuits and electromagnetism, aimed to challenge participants' understanding. Guided by Dr. LP Singh and coordinated by faculty members Ms. Poonam Juneja and Prof. Dr. Monika Gupta, the event fostered knowledge-sharing and celebrated electrical engineering expertise.</p>	 <p>The poster is yellow with blue and black text. It features the MAIT logo at the top left and the EEE logo at the top right. The main text reads: 'ELECTROTECH Official Society of EEE, MAIT Electrilla 2.0'. Below this, it lists the topics: 'TECHNICAL QUIZ TOPICS RELATED TO ELECTRICAL CONCEPTS SUCH AS ELECTROMAGNETISM, CIRCUITS, POWER SYSTEMS, ETC'. There is a blue speech bubble that says 'DO YOU HAVE WHAT IT TAKES?'. The event is presented by ElectroTech. The date and time are: 'FRIDAY 29TH SEP 10am   Mini Auditorium, MAIT'.</p>

3.	Smart-o-hack	<p>On <b>October 16-17, 2023</b>, Maharaja Agrasen Institute of Technology's ElectroTech, in partnership with IEEE Smart Cities, hosted "SMART'O'HACK (Series 2)," an event where innovation took flight. Participants explored tracks such as Smart Mobility, Safety, and Education, among others. Aspiring innovators had until October 12, 2023, to submit their ideas, fostering advancements in smart city solutions.</p>	 <p>The poster is for the SMART'O'HACK (Series 2) event. At the top, it lists the organizers: Maharaja Agrasen Institute of Technology, ElectroTech (Official Society of EEE Department), and IEEE Smart Cities. The event title 'SMART'O'HACK' is prominently displayed in large, bold letters. Below the title, the tagline 'Where Innovation Is Given Wings To Fly!' is written. The dates 'On October 16-17, 2023' and the submission deadline 'Last Date of Idea Submission: October 12, 2023' are clearly stated. A section titled 'TRACKS:' lists eight categories: 1. Smart Mobility and Pollution Control, 2. Smart Safety, 3. Security And Surveillance, 4. Smart Waste, 5. Smart Health And Hygiene, 6. Smart Education, 7. Smart Energy, and 8. Smart Citizen And Global Facilities And Amenities. A QR code is provided for registration, with the text 'SCAN HERE TO REGISTER !' above it. At the bottom, the 'EVENT PARTNERS' section includes logos for Maharaja Agrasen Institute of Technology, IEEE Smart Cities, Swadeshi Civil Infrastructure, and ElectroTech.</p>
