

TECHNOMIND 2.0

On April 24, 2024, the Electrotech hosted a vibrant event technical extravaganza TECHNOMIND 2.0 under the directions of Dr. Poonam Juneja (Society Coordinator) and the event is judged by Prof. (Dr.) Rajveer Mittal (Advisor, EEE Department). The event was organized under Techsurge N Mridang Fest in MAIT(TnM'24).

In the Event 20 eager participants including participants from outside college also, everyone ready to showcase their skills and knowledge across three exhilarating rounds. The event commenced with an engaging quiz round, challenging contestants' comprehension of electrical engineering concepts and general knowledge. Following this, participants delved into a crossword puzzle challenge, testing their problem-solving prowess with technical terms and industry trivia. The climax of the event was a spirited debate round, where participants engaged in thoughtful discussions on pertinent topics in the field. Through each round, participants demonstrated their intellectual acumen, teamwork, and communication skills, culminating in the selection of a deserving winner and runner-up. The event's success was a testament to the meticulous coordination and facilitation provided by the organizing team, ensuring a seamless and enjoyable experience for all involved.
